*** Subscribers are requested to observe, that
TAB. XIII. is wrongly referred to as TAB. XII.
TAB. XIV. as TAB. XIII.
TAB. XV. as TAB. XIV.
TAB. XV. Isocardia Cor should be TAB. XV. *bis.*
also that there is no TAB. SUPP. XXXVII. The Publisher regrets that in consequence of the specimen having been mislaid, it is impossible to give a representation of Hypostomus radiatus, which should have been TAB. SUPP. XXXII, f. 2.

The 20th Number of the Zoological Journal appears at the same time as this Fifth Part of the Supplementary Plates.

These form the conclusion of the Vth VOL. and of the WORK.
